

GLASA Hall of Fame

Procedures

How to Nominate:

Any 10-year member of GLASA, whether living or deceased, can be nominated for the Hall of Fame. The nominees should have made significant contributions to their teams and/or GLASA. The living members of the GLASA Hall of Fame (HOF) and the Hall of Fame committee vote on the nominees each year, based on the credentials presented with the applications. The candidates who receive at least two-thirds of the votes cast are inducted into the GLASA Hall of Fame at the spring season ending awards ceremony.

- Nominations will be accepted beginning September 1st (Fiscal year)
- Nominations will close on the first Sunday of May
- Voting meeting to take place within one week after the closing of nominations

Criteria:

Any member of a GLASA, living or deceased, (including players, managers, coaches, scorekeepers, sponsors and umpires), who have made significant contributions to their teams and/or GLASA and also who have been in the association for at least ten years are eligible for nomination to the GLASA HOF.

The applications may be submitted by any active GLASA member and/or Hall of Fame member who are familiar with the candidate. We strongly recommend that the application include a photograph of the nominee. The reason for the photo is that names do not always convey the person nominated. The photo will become the property of the GLASA Hall of Fame.

The voting members may vote for as many of the nominees as he/she wishes. A nominee must be selected on at least two-thirds (2/3rds) of the ballots cast to become a member of the GLASA Hall of Fame. The Chairman of the GLASA HOF Committee will tabulate the results of the voting, and notify the nominees, GLASA Board, and the living Hall of Fame candidates of the results. The other nominees will carry over the following year for consideration. After two years of consideration, the nominee will fall off the selection process and need to be re-nominated for future consideration.

The selected Inductees will be invited as a guest to the league, to attend the end of the season spring banquet to receive their GLASA HOF award. Their name, bio, and photo will appear on the GLASA website and will become eligible to vote on the selection of future HOF inductees.
